

Premium Pre-Inked Stamps

The 2000 Plus HD stamps contain a large built-in ink reservoir resulting in up to four times the number of impressions than a self-inking stamp (which equates to ~20,000 impressions) thus practically eliminating the need to re-ink for the life of the stamp.

The most popular sizes have an attached lid so users will never lose this cap, and it significantly reduces the risk of getting ink on their hands.

2000 Plus HD Series contains 50% post-consumer recycled material.

Certified "Document Proof" ink available in 7 colors – Black, Red, Blue, Green, Violet, Gold and Orange.

also available in gold and orange
